Final Reflection Guide for Project Groups

1. Reflecting on Our Democratic Journey

- What positive changes have we observed in our school?

- How has our school culture become more democratic?

- What made this possible?

2. Looking at the Sensor Results

- Which areas showed clear progress?

- Were there any areas that stayed the same or declined?

- What might explain those patterns?

3. Surprises and Insights

- What surprised us most about this process?

- Did we learn something unexpected from pupils, teachers, or families?

4. What We Want to Keep Developing

- Which areas need continued attention?

- What actions or habits can we carry forward into next year?

- How can we keep everyone involved in the next steps?

```

```

5. Our Team's Closing Thoughts

Use this space to note anything else important from your closing discussion, including how the group worked together, what you're proud of, or hopes for the future:
